

- Customer who wants to invest in Mutual Fund Schemes through Mutual Fund Utility Portal has to create Common Account Number (CAN) by visiting the nearby IOB branch.
- CAN Creation → IOB Online → Branch Products → Mutual Fund - Mutual Fund Utility → KYC → CAN Creation Successful.
- On Can Creation → Download go mf App from play store → Proceed for Investment online.
- Register in the app with login id and password (to be created).

- On login, dash board will be visible showing the holding data of the customer.

- After Login customer can view the profile and proceed for investments.
