

Success Story of Mudra Beneficiary

Bank: Indian Overseas Bank Branch: Station Road, Chrompet, Chennai

The Beneficiary, address & the Activity

R. Padmavathy, Proprietrix; M/s Mythilis Kitchen, Aged 57 (Mob: 9600131703 - mythiliskitchen@gmail.com) is a very happy customer of Indian Overseas Bank, Station Road , Chrompet Branch, Chennai.

They are manufacturing Spices and Masala powders. It all started as a small unit in the Kitchen, now has grown to a unit with machines doing the job and is situated at No, 12 Vivekananda Street, Radha Nagar, Chrompet, Chennai – 600 044, Kanchipuram District, Tamil Nadu.

Financial Assistance

The beneficiary is supported by Indian Overseas Bank by sanction of Mudra Loan of Rs.5.00 lakhs for buying Grinding, Sealing and Packing machinery. These machines have been very helpful for production activities.

Now, the unit manufactures almost half a ton of masala powders like (Idli Podi, Parupu Podi, Sambar Podi, Rasam Podi, Curry Leaf powder and other few products). All products are of manufactured with highest level of Focus on Quality and provide excellent aroma with traditional taste. This Financial year they added 4 new products lines of Pickles and other traditional vadams and vathal. All the products have been certified and packed as per the industry norms.

In the words of the Beneficiary:

We have been working efficiently to prove ourselves in the open market in and around Chennai and other districts in Tamil Nadu. Our marketing team has done an excellent work on the field as we have added 3 new retails giants during last quarter (Prime Focus (OMR Food Street), Wait Rose Supper Market Retail Chain and Sri Venkateswara Super Market Chain. We have been providing all kind of promotional activities for our products for creating awareness of our products. Amidst heavy competition from Brands like Aachi, Sakthi, MTR, Ashirvadh, Krishna and other popular brands; Our products have a good demand with a good customer base, which encourages us to be on our toes to deliver on time with high quality, aroma and taste.

Currently, we have a turnover of Rs.10 lakhs during FY 16 – 17 and Rs.15 lakhs LTM (Last Twelve Month) turn over as on Q2 2017. We have currently

employed 5 resources from 2 during the same time last year. We have been growing each day and will succeed in near future.

It's a great feel for me as a women and being a widow losing my husband 5 year back, today to stand up with my head upright in this society; when I talk about my products to my customers with great amount of confidence and conviction about my company, is a change that I feel that cannot be expressed. It is all due to the support received from IOB, Station Road Branch. Started as a small unit in MyKitchen now having machines to do the volumes and get great feedback of our products makes me feel proud.
