- d. No counter-offer/conditions by the bidder and/or successful-bidder will be entertained.

Technical Terms and Conditions of Online Auction Sale

1. Prospective bidder shall have a valid e-mail id.
2. Prospective bidder has to register with the 'online' service provider.
3. Only upon verification of the bid form and confirmation of remittance of EMD, the User ID issued by the online service provider will be activated permitting the bidder to enter into the website of the service provider for bidding.
4. Bidders should not disclose their User ID as well as password and other material information relating to the bidding to any one and to safeguard its secrecy.

5. Bidders are advised to change the password immediately on receipt from the service provider.
6. **Time Extension:** If any market leading bid (bid higher than the highest at the point in time) is received within the last five minutes of closing time, the time of auction sale will get automatically extended by another five minutes and subsequently. If no further bid higher than the last quoted highest bid is received within the said extended five minutes, the auction sale will automatically closed at the expiry of the extended five minutes.
7. **Training:** The online service provider will provide training "online" if required by the bidders at a mutually convenient date and time before the auction.
8. **Bids:** All bids placed are to be treated as legally valid bids and are to be considered as bids from the bidder himself. Once the bid is placed, the bidder cannot reduce or withdraw the bid for whatever reason. If done so, the EMD amount shall be forfeited.
9. The highest and the latest bid on the auction shall supersede all the previous bids of the respective bidders. The bidder with the highest offer/bid does not get any right to demand acceptance of his bid.
10. The bidder shall be solely responsible for all consequences arising out of the bid submitted by him (including any wrongful bidding) and no complaint/representation will be entertained in this regard by the Bank. Hence bidders are cautioned to be careful to check the bid amount and alter/rectify their bid if required before confirming the bid submitted.
11. The intimation to the bidder/bidders concerned of having declared successful in the auction sale will primarily be sent to them through e-mail preferably. The date of sending the e-mail will be considered as date of intimation.
12. If no intimation reaches for reasons beyond the control of the Bank, the bidders are required to take efforts to ascertain the status. Non receipt of intimation shall not be a ground for non-payment or delayed payment. Bidders must therefore keep a watch on their incoming e-mail id registered by the bidder or for return of the mail for mailbox being full.
13. **Demo/mock auction:** For bidders who have indicated non-familiarity with e-Auction, training on a DEMO/MOCK Auction will be arranged in a manner and on such date by the service provider as may be specified in the Scheduled Programme. Only those Bidders who have registered themselves for the Auction by submitting the "Declaration Form" and have also paid the EMD can participate in this Mock Auction. No training will be given during the actual e-Auction.
14. **Note of caution for the Bidders:** Bidders may encounter certain unforeseen problems such as time lag, heavy traffic, system/power failure at the Bidders end. To avoid losing out on bidding because of above-mentioned reasons, it is advised not to wait for the last moment.
